

LESSON 7

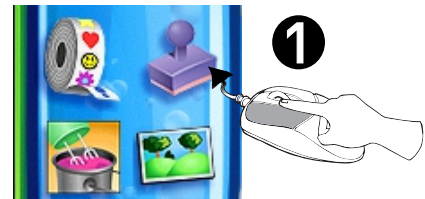

Using Rubber Stamps

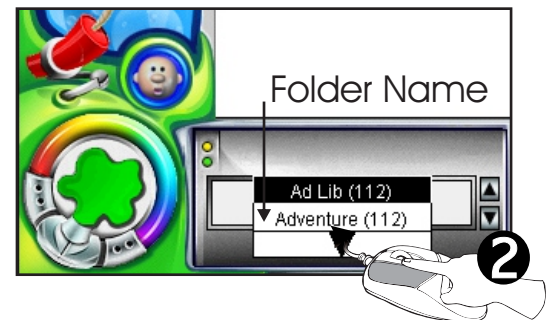

Use the Rubber Stamp tool to stamp animals and other shapes onto your picture.

To use Rubber Stamps:

Step 1. Click the Rubber Stamps button to see the Rubber Stamps tray.

Step 2. Choose a folder. Click and hold down the folder name to see more choices.

Step 3. Use the up and down arrows to see more Rubber Stamps.

Step 4. Click the size for your Rubber Stamp.

Step 5. Click a Rubber Stamp, then click your picture.
