Activity 2

TEACHER
GUIDED
ACTIVITY

Directions:

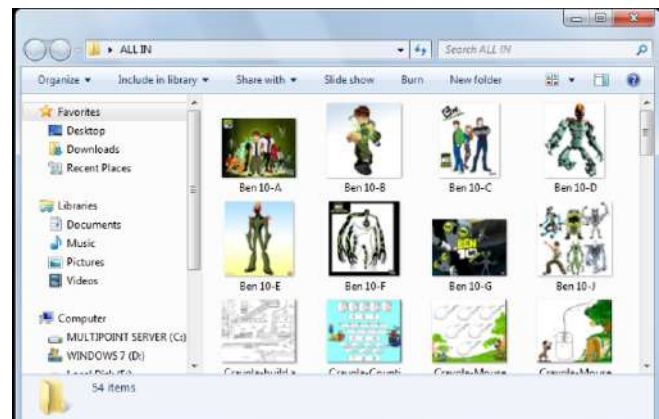

1. Launch your computer.
2. Follow the steps on how to move files to another folder.
3. Move the files to its group (refer to the folders that you have made from the previous activity.)
4. All the files are located in one folder named ALL IN. It is located at the same folder in your activity templates. Ask your teacher if you cannot find the files.
5. Show your work to your teacher after moving all the files and get your score or grade.
