

LESSON 12

Stickers

LEARN

Stickers are pictures you “stick” onto your picture. Stickers can be moved, flipped, or sized, and don’t become part of the background until you flatten them.

To add a sticker:

Step 1. Click the Stickers button to open the Stickers library.

Step 2. Choose a folder. Click and hold down on the folder name to see a pop-up list of folders, or use the scrolling arrows to see more choices.

Step 3. Scroll through the stickers. Use the up and down arrows to see more choices.

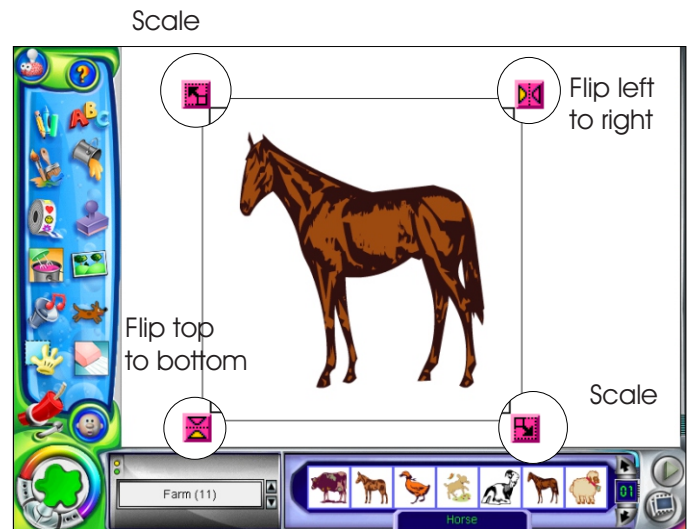

Step 4. Drag a sticker onto your picture.

Step 5. Move, size, or otherwise adjust your sticker before flattening it.

To move, change, or delete a sticker:

Step 1. Click a sticker in your picture to see its frame.

Step 2. Do any of these things:

- To move a sticker, click inside it and drag.

- To resize a sticker, drag a Scale handle.

- To flip a sticker top to bottom, click its lower-left handle.

- To flip a sticker left to right, click its upper-right handle.

- To make a sticker part of the background, click it, click the Toolbox menu and choose Flatten Stickers and Animations. Specify the selected sticker or all stickers. After a sticker is flattened, it cannot be moved, resized, or changed.

- To delete a sticker, click it and press the Delete key on your keyboard.
