

## Activity 1

Directions:

1. Start OOo4Kids Writer.
2. Open the document **Laying Eggs**.
3. Insert pictures to the document. Follow the steps in inserting pictures and images on the previous page.
4. Use pictures from the work files provided. Ask your teacher for the exact location of these files. See the previous activity for a sample preview from this book or you can arrange it in with your own preference.
5. Save the activity to another file name as **Laying Eggs with Pics**.

What's my score?

<b>SCORE</b>

## Activity 2, 3, 4, 5, 6, 7

Directions:

Now its time to decorate all our previous activities by inserting appropriate pictures to it.

What's my score?

<b>SCORE</b>

1. Start OOo4Kids Writer.
2. Open each document one at a time and insert appropriate pictures to each of these saved activities that you have already made. Below are the following documents or activities that you need to work on:
  - a. Dog's Tail Modified
  - b. Parrot's Able to Talk
  - c. Babies Facts
  - d. Hair Matters Completed
  - e. Valuing Your Eyes
  - f. Teeth Fall Out
3. Save your documents and show all your works to your teacher for your scores or grades.
