**Lesson 17**

SCORE

1. Launch Windows.
2. Follow the steps in changing the screen saver from your worktext.
3. Change the screen saver to :
  - a. 3D Text (replace it with your name)
  - b. Mystify
  - c. My Pictures Slideshow (use the pictures from the desktop background)
  - d. 3D Pipes
4. To show evidences that you have set these screen savers in the computer, you need to take a screen shot to all. Be sure to paste it in Pixie just like the previous activities.

Tips:

- \* Use the Print Screen key to take a screen shot of the date you have set.
- \* Launch Pixie.
- \* Press CTRL+V to paste the screen shot.
- \* Use the selection tool to crop only the windows screen saver.
- \* Add pages in Pixies to paste the rest of the screen shots.

5. Save the activity as **Save the Screen**.
