

Select and Trace

Selection Tool

Activity 19

Directions:

1. Launch Pixie.
2. Open and perform Activity 19 **Select and Trace**.
3. Perform the following using the Selection tool:
 - a. Use the Rectangular option on the Selection tool to select a rectangular face of the bear. Place it below the picture.
 - b. Use the Oval option to select an oval portion of the Color Palette. Remove the four colors and place them below the picture.
 - c. Use the Lasso option to trace the figure of the church. Place the traced figure below the picture.
4. Save the activity as **Selected and Traced**.
