

Having fun creating and answering Pixie activities can be accomplished upon saving your file. It is important to save your file since most of your work will be graded or checked by your teacher. Saving is essential for future use as well.

Save a Pixie File

1. Click File.
2. Select Save.
3. Choose desired location to save.
4. Type the name of file.
5. Click the Save button.

Create a new Pixie Project

1. Click the Project button
2. Select New
3. Select and click Portrait or Landscape

You can specify the number of pages that you would like to have in your project by typing in the Number of Pages box.
