The screenshot shows the 'MaxData Activity 1 Database Facts.kid' software interface. The window has a menu bar (File, Edit, Goodies, Sound, Teacher, Help) and a toolbar with various icons. On the left is a vertical toolbar with icons for text, shapes, and images. The main workspace contains several light blue rectangular labels with orange borders: 'String', 'Picture', 'Fields', 'Information', 'Database', 'Number', and 'Date/Time'. There is also a 3D graphic of a database structure and a 3D graphic of the numbers 1, 2, 3, 4. Below the labels are seven numbered blanks for a matching activity:

1. _____ is an organized collection of information.
2. _____ is divided into individual elements called _____.
3. Each _____ in a database is made up of a set of _____.
4. _____ field type in any combination.
5. _____ field type is a drawing or picture.
6. _____ field type is numeric.
7. _____ field type is a calendar.

At the bottom right, there is a small graphic of a database cylinder and a document icon. The status bar at the bottom shows 'Arial' and a font size of 24.
