

LESSON 2

Using The Drawing Tools

LEARN

Use KidPix Drawing Tools to draw different kinds of lines. There are four drawing tools: Pencil, Chalk, Crayon, and Marker. You can draw freehand, straight, or curved lines, rectangles, ovals, or polygons.

To draw:

Step 1. Click the Draw button.

Step 2. Pick a tool from the left side of the tray.

Step 3. Choose a size for your line.

Step 4. Choose a shape.

Step 5. Click in the drawing area and hold down the mouse button. Move the mouse around to draw.

Classify Me

Activity 7

Write each word in the correct row at the bottom of the page.

Row 1 Tools we draw with Kidpix

Row 2 Things that we eat

Row 3 Shape tools we use to draw in Kidpix

Row 4 Things we listen to

Shapes Matters

Activity 8

Draw a house using the drawing tools. Use all the shape tools available to make the picture similar to the picture below.
