REPTILE, AMPHIBIAN, OR FISH?

Can you tell a reptile from an amphibian from a fish?

1. Launch your computer.
2. Open Microsoft Kids.
3. Click on Animals.
4. Click then on Critter Corner.
5. Click further on Reptile, Amphibian, or Fish?
6. Play the game by dragging the animals to their appropriate columns. Be sure to finish this informative game.
