Simple Drawing and Painting

To start drawing and painting, left-click the mouse to:

1. Select one of the drawing tools on the lower of the two toolbars.

2. Select one of the brushes.

3. Select a color for the brush.

4. Select a nib size to make the drawing wide or thin.

5. Place the cursor on the workspace, left-click and hold the mouse. Drag the cursor across the page and release the mouse to complete the drawing.
